## Student Symposium

### "Rassismus, Postkolonialität und Dekolonisierung – Impulse, Debatten, Perspektiven from the students"

Our student symposium "Rassismus, Postkolonialität und Dekolonisierung – Impulses, debates and perspectives from the students" is a result and broadening of our un/safe, un/learning community. We have spent the last months on an un/safe path, while looking at and through different aspects of racism, post/coloniality and decolonization in our seminar on postcolonial debates. We invite anyone interested in joining this process of learning and unlearning to listen and discuss with us on Saturday, 04.02.2023 from 9.00 am to 17.30 pm.
