Introduction

1. Volume G/K/Q of the Supplement to the Akkadian Dictionaries

For the goals and organization of SAD cf. in general the introduction of volume B/P. In the following, some additional information pertaining to volume G/K/Q will be given.

The reader is kindly referred to the website of the project (<https://www.gkr.uni-leipzig.de/en/draft/altorientalisches-institut/forschung/supplement-to-the-akkadian-dictionaries>) where all results published in the present volume are accessible online. In addition, the website also offers much material for the other letters of the alphabet. New material and corrections for the letters B/P, as well as D/T/Ṭ, not published in the pertinent volume, are marked in yellow on the website.

The present volume is a collaborative effort of Michael P. Streck (sometimes indicated by the abbreviation MPS at the end of the lemma) and Janine Wende (JW). All lemmata not claimed by any author remain the joint responsibility of Streck and Wende. Old Assyrian material was kindly sent to us by Bert Kouwenberg (NJCK). Minor contributions were made by Nadezda Rudik (NR) and Jonas Klöcker (JK). The English text was corrected by Frank Simons who also made further additions (FJMS).

The list of reviewed publications given in volume B/P (cf. LAOS 7/1 p. xii–xiv) and D/T/Ṭ (cf. LAOS 7/2 p. vii–viii) has been further expanded to include the following:

- AML (OB and OA incantations)
- ARM 33 (OB letters from Mari)
- Foster/George 2020 (ZA 110, OB literature)
- KAL 8 and 11 (lexical texts from Assur)
- KAL 10 and 12 (literary texts from Assur).
